A NOTE FROM DR. BRADWELL, DIRECTOR

Dear Families,

This school year is almost over. Where has the time gone? I am thanking God that Great Beginnings Academy is miles ahead of where it was during and immediately after COVID-19. However, many schools public and private, along with hundreds of businesses have been plagued with a shortage of workers. Great Beginnings Academy has been no exception. We are trusting God and walking in Faith (2 Cor:5:7) that God will bring workers to all businesses that are in need. We are asking God to move and ignite workers that have a passion for what they do.

Orange County Public Schools will be sending two teachers that normally work with our students to provide a rigorous summern learning camp in Reading and Math. Please contact the school if you are interested in having your child attend (June 5 - June 16). I am urging all parents to ensure that their child is logged into IXL each night for at least 30 minutes.

In closing, if you know of any person that may be in need of assistance with paying a small bill or has been laid off, please contact the school regarding our "Random Acts of Kindness Ministry" that is next to the front office.

Achievements

Our Black History program was a huge success thanks to all of our hard working teachers and talented students. As we celebrated and learned about our history, we also had a trivia contest each day. The following students were our Black History Trivia Contest winners.

1st place winner
Jesiah Maldonado

Runner Up
Denarie Richardson

April 2023, we are pushing students ahead to the next level; all students will begin working on lessons that are one grade level ahead of the grade that they are currently in. We are getting students prepared for the 23- 24 school year.
